Three fools in a tub

A new play by Fergal O'Byrne

16 March – 9 April 2022
Krudttønden, Serridslevvej 2, 2100 Kbh Ø
Mon-Fri: 19.30 / Sats: 17.00

The comedy is set in the near future where three old friends meet over a weekend. The gathering is watched over by SiSi, a sassy-voiced replicant who is powered by Artificial Intelligence & programmed to tell the truth. When one of the friends announces that he plans to end his life by euthanasia emotions run high, not least for SiSi who understands human emotions, but desperately wants to know what love is.

A comedy about technology and the endurance of friendship.
